Sports have had and is a great influence on the way people live and can improve social inclusion. Bury Rounders are committed to instil these values in to game and promoted throughout the League. Most importantly we place the welfare of are teams, players and volunteers a priority. This will ensure a safe and enjoyable environment for all. This Document is here to recognise young people and adult's participating in Bury Rounders deserve to feel safe at all times and have a responsible adult they can contact if they have any concerns about their own safety, or that of others (within or outside Rounders). Bury Rounders is updating the procedures in how we communicate with the Clubs of the League, to ensure all the members are aware of all the policies, laws and legislations and the standards they and we all should be meeting. In the creation of this document it has been noted that it is not the responsibility of those individuals working in Rounders to determine if abuse has taken place, but it is their responsibility to act upon and report any concerns. This document should be used as a guide for how to act within any situations where concerns arise and includes contacts for relevant other organisations where information needs to be passed on.
