

BURY ROUNDERS SAFEGUARDING INITIATIVE

If a Safeguarding allegation is made Against You.

Don't Panic!

All concerns or allegations involving the inappropriate behaviour will be taken seriously and investigated within the terms and conditions of the Complaints and disciplinary procedure, Protection Adults and Protection Young People policies.

If you are the person who is the centre of an allegation, the situation will be explained to you and you may be asked to temporarily cease working with in Rounders during the investigation.

You will be informed as soon as possible based on advice from the Statutory Agencies.

This may result in suspension from activity within Rounders whilst a full investigation is being carried out. This is to protect all parties involved.

Bury Rounders will assess, on a case-by-case basis, any support needed for the person who has had the allegations made against them.

They may choose to appoint an independent officer to provide support to the accused.
