

Reiteration of Laws of the game section 25 Pitch Dimensions

- The bowling 'pitch' shall be 3 yards by 2 feet and shall be 7 yards from the 'home'.
- The 'home' shall be 1 yard by 2 feet.
- All measurements specified above are taken from the inside of the tapes. Tapes should be 1.5 to 2 inches wide.
- The 1st base shall be $9\frac{3}{4}$ yards from the centre of the bowling pitch ($9\frac{1}{2}$ yards from the edge of the bowling pitch) and 12 yards from the home. 2nd base is 12 yards from the 1st; 3rd base is 12 yards from the 2nd; and 4th base is 12 yards from the 3rd and is also 12 yards from home, (refer to the diagram in this book).
- Each base and the back tape of the batting home must be at least 20 yards clear of any natural hazard, e.g. tree, wall building or slope.
